

Macomb Mathematics Science Technology Center
Lauran K. Hoven
Director of Special Programs

April 15, 2011

To the Parents of:
Brooke Hassig

Dear Mr/Mrs Hassig,

Congratulations! We are pleased to inform you that your child has qualified to attend the Macomb Mathematics Science Technology Center beginning in the fall of 2011. It is a great accomplishment to have successfully completed our application process. The staff and administration are looking forward to the opportunity of being part of your child's education.

Your child will be enrolled in our **P.M.** session should you choose to accept our invitation to enroll. An appointment with your home school counselor should be made as soon as possible to discuss this matter and make the necessary adjustments to your child's high school schedule.

Please complete the form below and return it to the address below by Monday, April 25, 2011.

There is a **mandatory** meeting at Butcher for all of our new 72 ninth and tenth graders and their parents on Monday, **June 6, 2011 at 7:00 p.m.** Please mark your calendars. The objective of this meeting is to get together before we break for summer to ensure that your questions and concerns are answered and that your child has an opportunity to meet with his/her new classmates. We hope this leads to a less anxious and most enjoyable summer.

Sincerely,

Lauran K. Hoven
Director of Special Programs

Yes, my child will attend the Macomb Mathematics Science Technology Center in the fall of 2011, becoming a member of the MMSTC'S class of 2015.

No, we decline the invitation. (no)
